

Draping **dreams** in reality

Affiliated to Bangalore University

From the Founder

A meaningful education goes beyond academics—it cultivates compassion, creativity, self-esteem, and relaxed minds.

Gurudev Sri Sri Ravi Shankar, Founder SSRVM

About SSRVM

SSRVM Trust, founded in 1999 by the Art of Living, provides stress-free, value-based education across India and abroad. It offers schools, colleges, hospitals, and a university, promoting academic excellence alongside human values. SSRVM Trust has expanded into the field of fashion with the Sri Sri Institute of Fashion Studies. Join us on this journey of excellence and innovation.

Vision

To establish a firm foundation for sustainable fashion and emerge as a leader in defining design education by providing a holistic curriculum that stimulates creative thinking and incorporates the latest global trends relevant to the industry.

Mission

To create a dynamic learning environment that leverages innovation capability and transforms creative design aspirants into globally competent professionals who can be valuable assets to the fashion industry.

We believe in empowering aspiring designers to become **globally competent professionals, industry-ready visionaries, and conscious contributors** to the ever-evolving world of fashion.

We are :
holistic.
sustainable.
drug free.
stress free,
true to our roots.

Objectives

- Equip aspiring designers with the skills for sustainable fashion.
- Provide technical and creative guidance beyond the course curriculum.
- Integrate knowledge, creative thinking, contemporary thought, and innovation in design and technology to meet industry needs.
- Preserve and promote cultural ethos through design and style.
- Develop designers who appreciate and promote Indian crafts.
- Mold students into responsible, innovative, and adaptable graduates.
- Produce highly competent professionals for the dynamic fashion industry.

Dr Vandana Narang

Our Director

With nearly four decades of experience, **Dr. Vandana Narang** is a distinguished fashion academic who spent close to 30 years at NIFT in roles including Professor, Dean, and Campus Director, until her retirement in 2023. A Ph.D. in Pattern Making, she has authored key CBSE textbooks on Fashion Studies and Pattern Making.

Her pioneering research in men's wear pattern development, Indian pattern-making, and the use of AR/VR in design has significantly influenced fashion education and practice. Widely respected for her vision and leadership, Dr. Narang continues to inspire and shape the future of the industry.

Short term Certification Programs offered by SSIFS

(Online / Hybrid)

Fundamentals of Fashion Design (4 Months)

The Fashion Fundamentals course equips aspiring designers with essential knowledge in fabric properties, pattern making, and garment construction. Students master creating various garments, from basics to intricate designs, preparing them for success in the competitive fashion industry.

Home Fashion (3 Months)

The Interior Styling and Decor course cultivates a keen eye for aesthetics, teaching students to transform spaces through color, texture, and furnishings. It emphasizes practical skills and creative thinking to curate personalized interiors.

Fashion Entrepreneurship (3 Months)

Fashion Entrepreneurship course equips students with the skills and knowledge needed to launch and manage their own fashion business. Covering market trends, financial management, marketing strategies, and practical business operations, this course prepares students to thrive and innovate in the competitive fashion industry.
